AMMAR HISYAM FAKHRUDIN

Product Designer · B2B, AI & operational products

Jakarta, Indonesia | +62 859 7430 9235 | ammarhisyam151@gmail.com | LinkedIn | hisyamfakhrudin.com

Jakarta-based product designer at Serba Mulia Group. I research workflows, design interfaces and systems, and work with engineers through delivery. My experience spans in-house, agency, freelance, and independent product work.

EXPERIENCE

Serba Mulia Group Nov 2024 – Present
UI/UX Designer · Full-time

- Design B2B and internal products including Promas, OCR CRM, Pajak Mas, Cashlux, and Synqra, translating operational needs into flows, interfaces, and reusable patterns.
- Work on Promas for cashiers, branch managers, and multi-branch teams, including workflow research, interface design, and a reusable design system.
- Collaborate with product and engineering from early definition through implementation.

Let's Vibe Digital May 2025 – Jul 2026
UI/UX Designer · Freelance

- Designed responsive web applications for Australian clients including Big Rock Developments, RenoPlus, VV Construction, and VSCO Pty.
- Worked from visual direction and wireframes through responsive layouts and stakeholder review.

HexOcean Sep 2025 – Apr 2026
UI/UX Designer · Freelance

- Designed AI software experiences, developing user journeys, wireframes, interfaces, and interactive prototypes for complex workflows.
- Worked with software engineers throughout product development to refine the experience and check feasibility.

Caraka Studio Aug 2024 – Nov 2024
UI/UX Designer · Full-time

- Designed reusable mobile UI kits and patterns for Zenspace IoT, Sporty News, and TRVLEASE Travel.
- Took client work from early concepts and user flows through high-fidelity design and delivery.

Serasi Autoraya Feb 2024 – Jul 2024
UI/UX Designer · Full-time

- Worked on SELOG, a B2B fleet logistics platform, contributing to workflow research, competitor review, and product design.
- Designed responsive product experiences and reusable interface patterns, and presented design direction to stakeholders.
